- 80% of the factors that determine student success are community based. When we look past the labels, we can all help Anchorage kids graduate- [90by2020.org/no-labels](http://90by2020.org/no-labels). #NoLabels #90by2020
- Students who face challenges outside of school are more likely to drop out. But when you look past the labels, you'll see each of us can help at-risk kids graduate- [90by2020.org/no-labels](http://90by2020.org/no-labels). #NoLabels #90by2020
- Look past the labels and you'll see each of us can help at-risk students graduate. Show your support today- [90by2020.org/no-labels](http://90by2020.org/no-labels). #NoLabels #90by2020
- Look past the labels and you'll see the challenges students face that can prevent them from graduating. More importantly, you'll see a way to help- [90by2020.org/no-labels](http://90by2020.org/no-labels). #NoLabels #90by2020
- Look past the labels and we can help students overcome the challenges that prevent them from graduating- [90by2020.org/no-labels](http://90by2020.org/no-labels). #NoLabels #90by2020
- Why do students drop out of school? Look past the labels and you'll see the challenges some kids face outside of school. You'll also see a way to help them graduate- [90by2020.org/no-labels](http://90by2020.org/no-labels). #NoLabels #90by2020
